— WHO WE ARE

Passionate About Africa's Maritime Future.

Seadore Africa Solutions Limited was founded on a singular belief — that Africa deserves world-class maritime, logistics, and energy services delivered by people who truly understand its waters, ports, and people. Our leadership team brings over 35 years of hands-on industry experience, ensuring every solution we provide is grounded in real expertise, not guesswork.

Our Commitment

- Maritime & logistics solutions built for Africa's unique landscape.
- Led by seasoned professionals with 35+ years of industry experience.
- Committed to safety, integrity, and operational excellence in every project.

Our Mission

To be Africa's most trusted maritime and logistics partner, delivering seamless, innovative, and sustainable solutions.

Our Vision

To redefine maritime excellence in Africa by connecting ports, people, and possibilities with precision and integrity.

— WHAT WE DO

End-to-End Maritime & Logistics Solutions, Delivered with Expertise.

01**Shipping Services**

Full-scale shipping services including vessel chartering, documentation, port clearance, and marine operations support across African waters.

02**Freight Forwarding**

End-to-end freight forwarding by sea, air, or land — coordinating every stage to ensure your goods arrive safely and on time.

03**Project Management**

Efficient coordination of complex maritime, logistics, and offshore operations from planning through to successful execution.

04**Offshore Support**

Comprehensive offshore logistics, supply base management, and marine coordination so clients can focus on core operations with confidence.

05**Manning Services**

Professional vessel manning including crew recruitment, certification management, deployment logistics, and onboard operational support.

06**Procurement**

Sourcing, consolidating, and delivering marine supplies and equipment efficiently and cost-effectively across Africa's ports.

— LOGISTICS & ENERGY

LOGISTICS

Moving What Matters, Exactly When It Matters.

From procurement and supply chain management to port logistics and last-mile delivery, Seadore Africa ensures your cargo and your people get where they need to be — efficiently, safely, and on time.

- Procurement & supply chain management
- Port and offshore logistics coordination
- Crew mobilisation and deployment
- Last-mile delivery onshore and offshore

ENERGY

Powering Africa's Offshore Energy Ambitions.

At the intersection of maritime and energy, Seadore Africa provides the technical expertise and logistical backbone that offshore oil, gas, and renewable energy projects demand — from Nigeria's thriving energy sector to emerging offshore renewables.

- Offshore oil & gas support services
- Energy project management
- Technical logistics for energy installations
- Emerging offshore renewables support

— WHY SEADORE AFRICA
